- 5.1 **Intention of the parties.** For the purposes of simplifying the relationship between the Service Provider and the Municipality User Departments, the parties have agreed that the contractual relationship will exist between the Service Provider and the Municipality. In this regard it is the parties intention that:

5.1.1 the Municipality shall be responsible for procuring the fulfilment by the User Departments of all the obligations contemplated in this Agreement including, without limitation, the obligation to pay for the Services and recognise the exclusivity of the Service Provider as contemplated in clause 32;

- 5.3 **Quasi-contractual relationship.** The relationship between the Service Provider and each User Department shall thus constitute a quasi-contractual relationship with the effect that, whilst no contractual nexus factually exists

between the Service Provider and such User Department, the parties shall conduct themselves as if a contract on the terms and conditions of this Agreement exists between them and to the extent that any claim arises, same shall, to the extent required, be instituted, disputed and resolved between the Municipality and the Service Provider on the basis that each shall have all rights and duties in law and this Agreement as if they were the principal parties to the dispute.

5.4 **Clarification.** Without derogating from the generality of the foregoing, it is thus confirmed that to the extent that:

5.4.1 any User Department is guilty of any act or omission which would, were it a party to this Agreement, constitute a breach of this Agreement, such breach shall be deemed to be a breach of this Agreement by the Municipality;

5.4.2 the Service Provider is guilty of any act or omission in respect of a User Department, which would, were such User Department a party to this Agreement, constitute a breach of this Agreement, such breach shall be deemed to be a breach of its obligations to the Municipality in terms of this Agreement;

5.4.3 any User Department suffers any loss, harm or damage due to any act or omission of the Service Provider pursuant to this Agreement such loss, harm or damage shall be deemed to be that of the Municipality and the Municipality shall not be deprived a cause of action merely because the Municipality has not suffered such loss itself, provided that in such event:

5.4.3.1 the Municipality shall procure that the User Department fulfils all its obligations in terms of the common law in respect of such damages, including without limitation the User Department's obligation to mitigate its losses;

5.4.3.2 the Municipality shall be liable to the Service Provider to the extent that the Service Provider would have had any successful contractual or delictual claim (or counterclaim) against the User Department in respect of such action;

W. 4

5.4.4 the Service Provider suffers any loss, harm or damage due to any act or omission of a User Department pursuant to this the Service Provider shall, vis-à-vis the Municipality:

5.4.4.1 fulfil all its obligations in terms of the common law in respect of such damages, including without limitation the obligation to mitigate its losses.

Accordingly no variation, addition or consensual cancellation of this Agreement shall be of any force or effect unless reduced to writing and signed by the duly authorised representatives of each party.
- 7.2 **Change in scope of services.** Should any party wish to propose any change to the scope or nature of Services, such party shall adhere to the Variation Procedure in Schedule 3.

## 8 SERVICE LEVELS

- 8.1 **Undertaking to achieve Service Levels.** The Service Provider undertakes that in providing the Services to the Municipality, it will achieve the Service Levels set out in the SLA.

- 8.3.2 provide all such additional resources as may be necessary to perform the Services in accordance with the Service Levels as early as practicable thereafter and at no additional charge to the Municipality;

provided that, for the purposes of clarity, it is recorded that the Service Provider shall not be liable for any failure to meet a Service Level to the extent that such

1.5 mr  
1.9

failure arises directly out of a failure of the Municipality to comply with its responsibilities set out in the SLA or this Agreement.

8.4 **Interim Phase.** Notwithstanding the provisions of this clause 8, it is recorded that during the Interim Phase the Service Provider will not be required to meet the Service Levels set out in this Agreement, but shall be obliged to:-

8.4.1 meet service levels that are reasonably practicable, taking into account whatever transitional arrangements that are put in place and agreed upon between the parties to enable a smooth implementation of this Agreement after completion of the Interim Phase; and

8.4.2 use its best endeavours to attempt to meet the Service Levels contemplated in this Agreement in order, as far as possible, to avoid compromising the Municipality's service delivery mandate.

## 9 WITHHOLDING OF PERFORMANCE & SET-OFF

## **VARIATION PROCEDURE**

1.5 m2 1.9

- 1 **Changes to Services.** During the currency of this Agreement, events may occur which require a change to the Services or Service Levels. No such change shall be implemented unless the Parties comply with the provisions of this Schedule. Changes to the Agreement shall not be subject to the Variation Procedure, but shall be undertaken on the basis set out in clause **Error! Reference source not found.** of the Agreement.
- 2 **Party desiring change.** Subject to the Authority Levels delegated to the responsible official(s), should the Municipality wish to propose any change to the provisions of this Agreement or should a User Department wish to amend any provision of the Output Specification, such party shall address a written proposal to the Service Provider detailing the desired changes or amendments ("**Change Request**").

The Service Provider shall investigate the likely impact of any proposed changes upon the Services and Service Levels;
- 4 **Change Note.** The Service Provider shall, within 14 (fourteen) days of receiving a Change Request, issue a Change Note detailing the services required to implement the change, the effects of the change and the effect that the changes, if implemented, will have on the Service Levels and on the costs of the services.
- 5 **No change effective until sign-off.** Neither the Service Provider nor the Municipality nor any User Department shall be entitled to proceed or require the implementation of any change to the Services or Service Levels pursuant to this Schedule until such change and all matters relating to such change have been agreed to in writing between the Parties, and all the necessary consents and approvals, as required, have been obtained. Pending sign-off as aforesaid, the Parties will continue to perform their obligations without taking account of the proposed changes. Neither party shall be obliged to agree to any change proposed by the other party but the Parties will not unreasonably delay or withhold their agreement to a proposed change.
- 6 **Sign-off.** The parties shall discuss the proposed changes and shall effect such changes to the Service Provider's Change Note as agreed. The Change Note in respect of the change shall then be considered by the Municipality or User Department concerned and approved or rejected in its discretion, provided that if a final proposal:-

  - 6.2 is rejected by the Municipality, the Services shall continue to be provided on the existing basis.
- 7 **Exceptions.** Notwithstanding the above, the Parties acknowledge and agree that:

T.S. mg h.g

- 7.1 the provision of the Services in terms hereof will necessarily involve a number of minor on-going operational adjustments or changes ("**Operational Changes**"), as agreed to in writing between the Parties, and that the provision of Services would be unnecessarily delayed or frustrated if such operational changes are subject to the Variation Procedure. Accordingly, agreed operational changes will not be subject to the Variation Procedure, it being agreed that the Service Provider Lead Client Service Manager and Municipality Contract Manager will manage and implement operational changes by way of agreed form between the Parties. Either Party may, notwithstanding the provisions of this clause 7, require that operational changes be subject to the Variation Procedure detailed in this Schedule; and
- 7.2 any written variation of this Agreement signed by authorised representatives of the parties shall be valid and binding as between the parties notwithstanding the fact that the Variation Procedure has not been followed.
- 8 ***The Service Provider Change Request.*** Should the Service Provider wish to propose any change, it shall issue a Change Note detailing the services required to implement the change, the effects of the change and the effect that the changes, if implemented, will have on the Service Levels and on the costs of the Services.
