9. PROCUREMENT PROCESSES

Managers should direct any request for catering to the Divisional Manager SCM by way of completing a request form indicating:

- What type of a meeting
- Number of people attending
- Names/positions of people attending/relevant department or organization name
- Starting time
- Estimated adjourning time
- Indicate where funds are to be sourced from and the availability of funds

Request for catering (approved by Municipal Manager) must be submitted to the SCM unit at least 3 days before the meeting in instances of procurement below R30 000.

For major events, the following conditions also apply:

- a) The Municipal Manager or his designate will set up an Organizing Committee.
- b) The designate committee will comprise of at least one member of SCM, the Project Manager, another designate from the department procuring and other members to be appointed by the Municipal Manager.
- c) The committee will be charged with the following responsibilities:
 - i) Develop a check list
 - ii) Submit plan and recommendations to the Municipal Manager for procurement in terms of the Council's Procurement Policy and subject to the availability of funds.
 - iii) All expenses relating to catering shall be undertaken and paid for in terms of applicable WDM policies and must first be authorized by the Municipal Manager.
 - iv) The necessary order form must be completed and properly signed before any expenditure is undertaken.

10. RESTRICTIONS ON CATERING

- Departments may procure a maximum of 24 energy drinks per year.

CATERING POLICY

- Catering may only be incurred in terms of the approved budget, thus only if the specific activity was originally provided for in the budget.
- Virements will not be approved to augment shortfalls in budgets due to payment of unplanned catering activities or catering activities not accommodated in the original budget.
- All beverages referred to are non-alcoholic; no alcohol may be procured with municipal funds.

11. STANDARD CONDITIONS FOR CATERING

The municipality expect a quality service and value for money in all catering services to be rendered with the municipality. The following conditions have been prepared to assist the service provider in delivering such a service:

- The Service Provider must provide the service according to the specifications provided.
- The Service Provider must be of good quality and be delivered on the agreed time before the commencement of the event.
- Bottled water if included in the specs must be delivered early in the morning between 08h00 and 09h30 before the event.
- The food delivered must be of the right quantity as per the specifications.
- The food must be well cooked and be poured in bowls, not cooking pots.
- The Service Provider must prepare a table where they will be served and has a table cloth.
- The plates, spoons, forks to be used for serving must be clean and at least fifteen must be on the same colour & design.
- All catering must come with tooth picks and serviettes.
- Cool drinks must be served cold.
- All caterers are expected to leave the venue clean after catering.
- Food must arrive at least 15 minutes before the agreed time to allow the caterer enough time to unpack, set up the table and ensure that everything is in place before people start dishing up.
- Caterers are expected to be clean and presentable during the delivery of the service.
- During delivery of the service, the caterer's hair must be covered and an apron or decent overall be worn.
- Any food remaining during catering must be given to the Project Manager or must be enquired with the Project Managers on what should be done with it.
- On any service rendered that is not satisfactory, the municipality has the right to impose penalties and/or blacklist the service provider.
- An acceptance of the municipality's order means that the service provider accepts the conditions under which the municipality can impose penalties or suspensions on them due to the lack of or poor service delivery. Even though SLA's are not signed for every service, the standard penalty paragraph of the WDM standard SLA applies to all services rendered only on order.
- SCM official and the project manager will be available to inspect the food before the food can be served and complete an assessment form of the service.
- It is the responsibility of the service provider to communicate with the municipality in case of unforeseen circumstances that can hinder delivery of goods according to specification.
- If failure to deliver the service is anticipated, the municipality must be informed 24 hours before the day of the event.
- Penalties and/or suspensions can be imposed according to the discretion of the municipality and with the approval of the Municipal Manager.

CATERING POLICY

12. INSPECTION OF CATERERS

All caterers or catering companies must comply with the following:
