5.4.1 any User Department is guilty of any act or omission which would, were it a party to this Agreement, constitute a breach of this Agreement, such breach shall be deemed to be a breach of this Agreement by the Municipality;

5.4.2 the Service Provider is guilty of any act or omission in respect of a User Department, which would, were such User Department a party to this Agreement, constitute a breach of this Agreement, such breach shall be deemed to be a breach of its obligations to the Municipality in terms of this Agreement;

5.4.3 any User Department suffers any loss, harm or damage due to any act or omission of the Service Provider pursuant to this

Handwritten initials 'PR' and a signature 'P. B.' are visible in the bottom right corner of the page.

Agreement such loss, harm or damage shall be deemed to be that of the Municipality and the Municipality shall not be deprived a cause of action merely because the Municipality has not suffered such loss itself, provided that in such event:

5.4.3.1 the Municipality shall procure that the User Department fulfils all its obligations in terms of the common law in respect of such damages, including without limitation the User Department's obligation to mitigate its losses;

5.4.3.2 the Municipality shall be liable to the Service Provider to the extent that the Service Provider would have had any successful contractual or delictual claim (or counterclaim) against the User Department in respect of such action;

32 EXCLUSIVITY

32.1 In consideration for the Service Provider rendering the Services in terms of this Agreement, the Municipality shall (save as may be provided expressly to the contrary in this Agreement), for the duration of this Agreement and during any period of termination notice given in terms of this Agreement, source all its uniform and personal protective equipment from the Service Provider. In this regard it is recorded that this exclusivity shall relate solely to the provision by the Service Provider of uniform and personal protective equipment. The Municipality shall accordingly be entitled to source additional Uniform and personal protective equipment from a third party only if and to the extent that:

32.1.1 the Contractor is unable to fulfil such requirements in which event the loss of exclusivity shall apply only to the extent that, and for so long as, the Service Provider cannot perform the particular requirement in question under this Agreement; or

provided that the Municipality may, subject to giving the Service Provider prior written notice thereof, undertake the outsourcing of a particular service, an aspect of which may include the provision of a service provided that:

32.1.3 the main purpose of that outsourcing is to obtain a service; and

32.1.4 the outsourcing shall not be used to circumvent the provisions of this Agreement, in particular the principle that the Municipality shall source all its fleet requirements exclusively from the Service Provider.

No party shall be entitled to assign or otherwise transfer the benefit or burden of all or any part of this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld. Notwithstanding the aforementioned, the Service Provider shall be entitled to cede its rights and delegate its obligations under this Agreement in security to the financial institution providing funding, whether by way of a financial lease or otherwise to the Service Provider in respect of the Service Provider's obligations in terms of this Agreement as security for the Service Provider's obligations to that financial institution in respect of the funding.

34.2 Right of the Service Provider to sub-contract. The Service Provider may sub-contract any of its obligations in terms of this Agreement to a third party, provided that:-

34.2.1 such sub-contracting shall not absolve the Service Provider from responsibility for achieving the Service Levels or complying with its obligations in terms of this Agreement and the Service Provider hereby indemnifies and holds the Municipality harmless against any loss, harm or damage which the Municipality may suffer as a result of such sub-contracting and for which it would, but for the sub-contracting, be liable in terms of this Agreement;

SCHEDULE 3

VARIATION PROCEDURE

PR
1/5

WATERBERG DISTRICT MUNICIPALITY – SUPPLY AND DELIVERY OF PERSONAL PROTECTIVE EQUIPMENT

- 1 **Changes to Services.** During the currency of this Agreement, events may occur which require a change to the Services or Service Levels. No such change shall be implemented unless the Parties comply with the provisions of this Schedule. Changes to the Agreement shall not be subject to the Variation Procedure, but shall be undertaken on the basis set out in this Agreement.
- 2 **Party desiring change.** Subject to the Authority Levels delegated to the responsible official(s), should the Municipality wish to propose any change to the provisions of this Agreement or should a User Department wish to amend any provision of the Output Specification, such party shall address a written proposal to the Service Provider detailing the desired changes or amendments ("**Change Request**").
- 3 **Change Request.** Such Change Request shall specify the reasons for the change and describe the change in sufficient detail to enable the Service Provider to formulate a response. The Service Provider shall investigate the likely impact of any proposed changes upon the Services and Service Levels;
- 4 **Change Note.** The Service Provider shall, within 14 (fourteen) days of receiving a Change Request, issue a Change Note detailing the services required to implement the change, the effects of the change and the effect that the changes, if implemented, will have on the Service Levels and on the costs of the services.
- 5 **No change effective until sign-off.** Neither the Service Provider nor the Municipality nor any User Department shall be entitled to proceed or require the implementation of any change to the Services or Service Levels pursuant to this Schedule until such change and all matters relating to such change have been agreed to in writing between the Parties, and all the necessary consents and approvals, as required, have been obtained. Pending sign-off as aforesaid, the Parties will continue to perform their obligations without taking account of the proposed changes. Neither party shall be obliged to agree to any change proposed by the other party but the Parties will not unreasonably delay or withhold their agreement to a proposed change.
- 6 **Sign-off.** The parties shall discuss the proposed changes and shall effect such changes to the Service Provider's Change Note as agreed. The Change Note in respect of the change shall then be considered by the Municipality or User Department concerned and approved or rejected in its discretion, provided that if a final proposal:-
 - 6.1 is accepted by the Municipality, it shall be signed off by duly authorised representatives of the parties and incorporated into this Agreement;
 - 6.2 is rejected by the Municipality, the Services shall continue to be provided on the existing basis.

P.J.A.S

7 **Exceptions.** Notwithstanding the above, the Parties acknowledge and agree that:

7.1 the provision of the Services in terms hereof will necessarily involve a number of minor on-going operational adjustments or changes ("**Operational Changes**"), as agreed to in writing between the Parties, and that the provision of Services would be unnecessarily delayed or frustrated if such operational changes are subject to the Variation Procedure. Accordingly, agreed operational changes will not be subject to the Variation Procedure, it being agreed that the Service Provider Project Manager and Municipality Project Manager will manage and implement operational changes by way of agreed form between the Parties. Either Party may, notwithstanding the provisions of this clause 7, require that operational changes be subject to the Variation Procedure detailed in this Schedule; and

7.2 any written variation of this Agreement signed by authorised representatives of the parties shall be valid and binding as between the parties notwithstanding the fact that the Variation Procedure has not been followed.
